SUMMARY

I am a passionate Full Stack Web Developer with experience in designing and developing complete web solutions from front-end to back-end. I love turning ideas into functional, modern, and responsive websites using technologies like HTML, CSS, JavaScript, PHP, and Laravel.

SKILLS

HTML5	Responsive Design	Teamwork
CSS3 & Bootsrap	Laravel & PHP Development	Effective Communication
JavaScript & jQuery	MySQL Database Management	

PRACTICAL EXPERIENCE

Front-End Development   **2025 - Present**

- Designed and developed several responsive front-end layouts using HTML, CSS, and JavaScript.
- Focused on creating clean, modern, and user-friendly interfaces while improving design and coding efficiency through personal practice projects.

Back-End Development   **2025-Present**

- Built a basic CRUD (Create, Read, Update, Delete) application using Laravel.
- Learned to connect the front-end with the database and manage data operations efficiently while understanding core back-end logic and MVC structure.

EDUCATION

Shamshun Nahar Haroon Polytechnic Institute   **2024 – Present**

Diploma in Computer Science & Technology

- Currently pursuing Diploma in CST with focus on software, web technologies, and computer systems.

Safa Motaleb High School   **2023**

Secondary School Certificate

- Successfully completed SSC with a strong foundation in science, technology, and essential problem-solving skills.

ADDITIONAL INFORMATION

- **Languages:** English, Bangla, Hindi.
