PROFILE

I am a passionate Full Stack Web Developer with experience in designing and developing complete web solutions from front-end to back-end. I love turning ideas into functional, modern, and responsive websites using technologies like HTML, CSS, JavaScript, PHP, and Laravel.

WORK EXPERIENCE

Frontend Development

2025 - Present

- Built and designed multiple responsive websites using HTML, CSS, JavaScript, and Bootstrap.
- Developed interactive UI components (sliders, modals, dropdowns, etc.)
- Optimized website layout for mobile and desktop devices

Backend Development

2025 - Present

- Building powerful, secure systems using PHP, Laravel & MySQL.
- Oversee market research to identify emerging trends, customer needs, and competitor strategies.

Self Development Focus

2025-present

- Gaining hands-on experience in Full Stack Web Development through self-learning and practical exercises.
- Focused on creating responsive designs, understanding backend logic, and developing complete web applications using Laravel and modern web tools.

EDUCATION

Shamshun Nahar Haroon Polytechnic Institute

2024 - Present

Diploma in Computer Science & Technology

Safa Motaleb High School

2023

Secondary School Certificate
